RECOGNIZING THE SERVICE OF
THE U.S. ARMY AIR FORCE 2ND
LIEUTENANT JOHN DONALD
MUMFORD

HON. CHARLIE CRIST

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 23, 2017

Mr. CRIST. Mr. Speaker, I rise today to honor a fallen hero who made the ultimate sacrifice for his country. Lost on the battlefields of Europe during World War II, the remains of Army Air Force 2nd Lieutenant John Donald Mumford have finally returned home to St. Petersburg, Florida.

On June 6, 1944, the same morning U.S. forces stormed the beaches at Normandy, 2nd Lt. Mumford bravely led a squadron of B-17 Flying Fortress bombers on a successful air raid over Germany. Returning to base, his plane was attacked by 10 Nazi warplanes, sent crashing into Ukrainian farmland. A mortally wounded 2nd Lt. Mumford was last reported seen by Romanian villagers in 1944, 73 years ago.

Cold War tensions prevented the timely recovery of 2nd Lt. Mumford's body. But the historical office at the Department of Defense never gave up. They began anew the search for 2nd Lt. Mumford's remains, and from 2007 to 2016, the POW/MIA Accounting Agency investigated the alleged crash site, ultimately finding proof of a downed WWII-era U.S. aircraft. With help from Ukrainian Armed Forces and local farmers, they uncovered the remains of 2nd Lt. Mumford.

Mr. Speaker, the United States of America never leaves a fallen soldier behind. When brothers Ronald and Lynn Woolums stood on the Tampa International Airport tarmac last week to accept the remains of their uncle, 2nd Lt. John Donald Mumford, it represented a proud tradition that defines who we are as a people.

I want to express my gratitude for the Defense Department's investigation team who made this day possible. 2nd Lt. Mumford is an American hero, and his family should beam with pride at his sacrifice. And what an amazing story to pass along from generation to generation—we honor our men and women in uniform by never forgetting.

Mr. Speaker, we salute Army Air Forces 2nd Lieutenant John Donald Mumford, and all the men and women who have given their lives protecting the freedoms we so dearly cherish. God bless our troops, and God bless America.

IN RECOGNITION OF ALTERNATIVES FOR GIRLS' 30TH ANNIVERSARY ON THE DATE OF ITS 2017 ROLE MODEL DINNER

HON. DEBBIE DINGELL

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 23, 2017

Mrs. DINGELL. Mr. Speaker, I rise today to recognize Alternatives for Girls on the date of its 2017 Role Model dinner. Alternatives for Girls provides critical outreach and support to at-risk youth to help them grow strong and make positive choices to improve their lives.

Founded in 1987 to provide shelter and care for at-risk girls in Detroit, Alternatives for Girls began as an all-volunteer organization that operated a five-bed emergency shelter in a Detroit-area church. As a result of the organization's success and impact, AFG has grown significantly in an attempt to fulfill its mission to empower and improve the lives of disadvantaged young women. Today, Alternatives for Girls has over 50 employees and operates multiple services on behalf of Detroit's at-risk youth. These include after-school

programs for young women in elementary school, several shelter programs to provide stable homes and counseling, and outreach services to help teens and young women engaged in high-risk activities like gang involvement and drug use. This comprehensive approach to supporting young women in need has been effective in empowering these individuals to make positive choices and create a brighter future for themselves.

Over the past 25 years, AFG has served over 105,000 at-risk girls, women and family members. Additionally, 99 percent of the young women participating in AFG's Prevention Program have graduated high school and gone on to college. These results underscore the impact that AFG's multidisciplinary and evidence-based approaches to reducing harmful behavior have had for at-risk youth involved in the program. Additionally, AFG's outreach efforts have been critical to raising awareness of the issues these young women face and driving action in state and local government. The progress that AFG has made in improving the lives of young girls has been remarkable and inspiring, and it is my hope that the organization continues its critical work in the coming years.

Mr. Speaker, I ask my colleagues to join me in honoring Alternatives for Girls' 30th anniversary on the date of its 2017 Role Model Dinner. The efforts of the group have impacted the lives of countless young women in metro Detroit.
